

PAX ROMANA

And The Dance Begins Again

PRECD 017

The second album of finnish prog-rock band Pax Romana is out since the 12th of august 2009. Titled "And The Dance Begins Again" it includes 9 new songs and features musical guests like Maria Hänninen, Kalle Fält and Jari Loisa among others.

The first Pax Romana album Trace Of Light from 2005 will also available on Presence Records catalogue from now on as well as the reissue of that album with a new cover in iTunes.

The band also appeared on the Colossus / Musea release "Tuonen tytär II" doing a cover version of old Rockressio song "Nobody never knows nothing". That is out on the Musea Records France.
